

EASTERN PA SKI COUNCIL

DISCOUNT LIFT PROGRAM TO FALL LINE MEMBERS

Voucher Program

A benefit of Fall Line Ski Club's membership in the Eastern PA Ski Council is the opportunity to purchase lift tickets to a variety of ski areas in the Poconos, New York, and Vermont at a substantial discount, such as: Big Boulder, Jack Frost, Blue Mountain, Bear Creek, Elk Mountain, Camelback, Bromley, Gore, Whiteface, Jay Peak, Okemo, Pico, Stowe, Mount Snow, Sugarbush, and Stratton. Tickets are intended for the use of EPSC members ONLY. Ticket purchases are limited to use solely within that current season, and a return fee applies for all unused tickets. Only buy what you are sure you can use within that season. Prices, order forms and details regarding the discount ticket program are available on EPSC's website (www.easternpaskicouncil.org).

Rules and Do's and Don'ts

All vouchers must be ordered using the order form provided on the EPSC's site. There is a \$1.00 shipping fee. Also please note, there will be no US Postal delivery on Saturday starting Oct.1, 2010. Therefore allow adequate time for return delivery. You will be able to E-Mail your order to the address provided on the order form. However, tickets will not be sent until payment is received. If you choose to mail your order with payment to the address provided, please be sure to include all information required and Print Clearly.

Vouchers are available to Council Club Members only. Some areas may require proof of membership. Please read the order form carefully before ordering. Tickets are marked accordingly, Weekday, Weekday evening, Weekend/Holiday (Junior, Senior, Adult, anytime). The EPSC return policy requires that you use the return form also provided on their web site. Vouchers can be returned anytime during the ski season if you find that you cannot make use of them. This allows them to provide the tickets to others rather than re-ordering. However, vouchers for the Pocono Areas must be returned no later than April 1st of each year for refund. Vouchers for New England Areas must be returned no later than May 1st of each year for credit to be used the following year. Your credit may be used for either the Pocono or New England Areas. You may return only 10% of your New England purchase for credit to be used next ski season. For Example: If you purchased 20 vouchers @ \$36 = \$720.00, you may only return 2 vouchers equalling \$72.00.

Please plan ahead and if you have vouchers you are not able to use, return them to Ken Foster, the Voucher Program Chairman, ASAP and he may be able to resell them for you. We want to impress upon you how important it is that you do not OVER ORDER. You will be charged a fee of \$1.00 for each voucher that you return. They carry a large inventory of vouchers and there is no need to order more than you will need at one time. The turnover time from the time ordered until mailed is usually only a few days.

This makes EPSC vouchers a terrific value - you can't lose!
