All the ingredients for the perfect ski weekend have been gathered and put into the Fall Line cuisine and the result is JAY PEAK! The **NEWest** accommodations on property, the Hotel JAY awaits with **luxurious** rooms conveniently located **mere steps from the tram and Flyer quad**. Sure it's shiny and new and wonderful but more importantly, we think, it includes thoughtful details that make it more Jay Peak. The hotel includes a new café, bar pizzeria and restaurant. We will enjoy daily breakfasts and fine dining at night plus a Wine and Cheese Party.

Jay Peak receives more natural snowfall than any other eastern resort! Take in the 360 degree summit view, to the vast trail and glade network; plus the wild backcountry chutes and "off piste" skiing terrain; you too will gain the sense of freedom, exhilaration and alpine adventure that cannot be found at any typical New England ski resort. Some of the mountain features are 2,153' vertical drop, 74 trails, glades & chutes, longest trail @ 3 ½ miles, longest glade @ 1 ¼ miles, **Vermont's only aerial tram**, 340" average annual snowfall, and 20 km of cross country skiing.
