The perfect way to end the 2012 Ski Season is to go on a trip back home to Killington, VT. We will stay at the North Star for two nights where you can share the stories of the day's ski adventures in the **amazing pool-size Jacuzzi**. This trip will take place over the **St. Patty's Day weekend**. What better place to spend celebrating St. Patty's Day, then at the Grist Mill which is walking distance from North Star.

North Star offers ski shuttle service to the nearby Snowshed Base Lodge. North Star features cozy accommodations and a relaxing environment, only moments from an endless variety of recreational activities such as snowshoeing and cross-country skiing. The Lodge also features an on-site restaurant as well as a cocktail lounge. The accommodations will be hotel-like rooms for two people.

Killington is known as the "Beast of the East". It has a state-of-the-art snowmaking system that beats out any other system. It is the biggest ski area in Vermont, and the Eastern North America. A few of Killington's fall line accolades are the two-high speed HEATED gondolas and 12 quads chairs. It has 200 trails, 31 lifts, and a manmade pile of snow on the Superstar Trail in which last year lasted until June.

Come join us by going back home! **There's never been a better place to discover the magic of Vermont than at Killington.**
