

KILLINGTON – GOING BACK HOME FOR ST. PATTY’S DAY WEEKEND!

By: Ed Keating

Remember the good ole days when I ran the weekend trip to Killington, VT? Remember having to wait an hour in line to be able to sign up? Remember when it took an hour to fill the bus ... only an hour?

Remember how fast time went by on the bus while driving to Killington because we had so much fun on the bus? Oh yeah and don't forget Jerry was driving!

How about going to the pool (of course heated) at the NorthStar after skiing all day on Saturday for some cold beers and wine all supplied by F.L.S.C? Remember that walk down the hill after swimming for dinner, dancing and oh yeah ... more beer and wine at the Grist Mill? We will be returning to the NorthStar Lodge!
