STEVE'S SCOOP

Hello, Fall Liners!

I hope that you're all enjoying the hot summer. I myself am rather tired of all of the "feels like 100 degrees" days, and am very much looking forward to some cool, crisp autumn days with cool nights!

Have you heard? We have added Killington for a weekend trip and day trips to Blue and Elk Mountains. These 3 trips are opening at the September 17th meeting. This is a shorter sign up time, so don't wait too long.

As a reminder, the big ski trips for 2019-2020 (all are in 2020) are:

- ★ Beaver Creek, CO: Jan. 18-25, 2020 Trip leader: Julie Mead
- ★ Zermatt, UT (EPSC Winter Carnival): Feb. 8-15, 2020 Trip leader: John Kennedy
- ★ Telluride, CO: Feb. 23 – Mar. 1, 2020 Trip leader: Michael Houlihan
- ★ Val Gardena, Italy with post trip to Malta: Mar. 6 -18 Trip leader: Patty Shearer
- ★ Keystone, CO: Mar. 21-28 Trip leader: Jeff Stein

And here are the upcoming SUMMER/FALL events:

- ◆ September 7 - Lobster Fest
- ◆ September 12 - Mann Music Center - Game of Thrones night
- ◆ September 21 - Medford Oktoberfest
- ◆ September 28 - Sharrott Winery
- ◆ October 19 - Laurita Winery Oktoberfest

I want to single out the Saturday, Sept. 7 Lobster fest... Tickets are going fast for this event, as it takes a lot of work to host, and is quite a great time! The event will again be held at the home of Mike Houlihan, at 2 Bernwood Road Hainesport, NJ 08036, starting at 4 PM. Come on out for some great food and drinks and help support your club!

There are plenty more events too. The Friday night Happy Hours continue every Friday afternoon/evening – see the website or blast emails for locations.

Please consider bringing a non-member or two to one of our events, and talk up the club. Hopefully, we can slowly but surely build up the membership rolls.

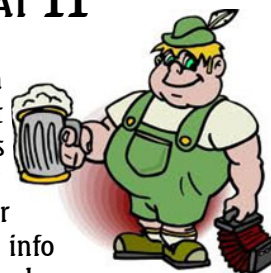

Hope to see you soon at the mixer meetings, Friday Happy Hours, or other events!

Make it a great summer – come on, FALL!

KILLINGTON 2020

JANUARY 10-12, 2020

After a 3-year absence, Fall Line returns to a perennial favorite in Vermont on the weekend of January 10-12. We will be staying at the Northstar Lodge, right on the access road. The Lodge has undergone extensive (rooms, beds, carpeting, TVs, pool, lobby, etc.) renovations by the owners. You can easily get to one of the many fantastic clubs and restaurants on the access road (get Pickled and Wobbly on the same night) or enjoy The Foundry located at the base of the hotel property. For breakfast, The Butternut Inn and Pancake House is right next door. And after a great day of skiing The Beast of the East, all of us can relax in Northstar's huge outdoor heated pool at once.

Killington boasts 6 mountain peaks (at last count), 155 trails covering 1500 skiable acres and a 3000-foot vertical drop. Trails range from the super-easy Snowshed trail to the super intimidating Outer Limits. There are 22 lifts including two 8-passenger gondolas to get you to the top. Among the many restaurants at Killington, you can relax for lunch at the Roaring Brook Umbrella Bar near the Superstar Quad, or enjoy the fantastic views at Killington's Peak Lodge.

The trip includes round trip motor coach to Killington with beer, wine, and soda included, 2 nights lodging at Northstar (double occupancy), and 2-day lift ticket. Killington opens on September 17 at the early sign-up price of \$449. We need a minimum of 25 people by the December 17 meeting. For those of you with an IKON pass, you can deduct \$120.

This trip needs a leader. It's easy (no, really!) if interested, please contact Mike Houlihan at mikehoulihan2@comcast.net

FALL LINE SKI CLUB BOOK CLUB SEPTEMBER 9TH, 7:30 - THE TAPROOM

427 Crystal Lake Ave
Haddonfield, NJ (Haddon Township)
(Meet in the main restaurant by Fireplace)

The book for the month of Sept. will be: The Rosie Project: A Novel (Don Tillman Book 1) by Graeme Simsion (Author)

The international bestselling romantic comedy “bursting with warmth, emotional depth, and... humor,” (*Entertainment Weekly*) featuring the oddly charming, socially challenged genetics professor, Don, as he seeks true love.

The art of love is never a science: Meet Don Tillman, a brilliant yet socially inept professor of genetics, who’s decided it’s time he found a wife. In the orderly, evidence-based manner with which Don approaches all things, he designs the Wife Project to find his perfect partner: a sixteen-page, scientifically valid survey to filter out the drinkers, the smokers, the late arrivers.

Rosie Jarman possesses all these qualities. Don easily disqualifies her as a candidate for The Wife Project (even if she is “quite intelligent for a barmaid”). But Don is intrigued by Rosie’s own quest to identify her biological father. When an unlikely relationship develops as they collaborate on The Father Project, Don is forced to confront the spontaneous whirlwind that is Rosie—and the realization that, despite your best scientific efforts, you don’t find love, it finds you.

Arrestingly endearing and entirely unconventional, Graeme Simsion’s distinctive debut “navigates the choppy waters of adult relationships, both romantic and platonic, with a fresh take (*USA TODAY*). “Filled with humor and plenty of heart, *The Rosie Project* is a delightful reminder that all of us, no matter how we’re wired, just want to fit in” (*Chicago Tribune*).

There are many places to get your books. Your local Library (free) you can get the book, audio or on you’re e-reader (Nook, Kindle & etc.). There are also many sites that offer books anywhere from free to \$2.99 each.

OSWEGO RIVER KAYAK TRIP

By Steven Umansky

On Saturday August 17th, 15 fun loving Fall Liners headed to Mick's Canoe and Kayak for a 4 hour paddle on the Oswego River only to find out that Oswego is spelled W-A-D-I-N-G. We were informed that water levels were low on the Oswego and we would have had to do a lot of walking. Since we came to kayak, not hike, we took their advice and went on a 3 hour trip down the Wading River. Those of us renting kayaks were provided with short, stubby Otters. These kayaks are not as fast as sleeker models but are easy to maneuver.

The section of the Wading River that we were on was well maintained by Micks with fallen trees having been cut away allowing for obstacle-free paddling, which enabled our group to stay together. This section of river provided lovely views of natural landscape instead of people's back yards and the water provided us with nature's air-conditioning keeping the temperature comfortable.

At the end of the paddle, Micks provided showers and changing rooms, but alas no beer, so about half of us headed over to Sweetwater Marina and Deck (formally Sweetwater Casino) for libations by the Mullica River while listening to live entertainment.

A good time was had by all. If you missed this outing you missed out on a great day.
