FALL LINE MIKE SAYS...

Fall Line Ski Club is now 52 years old. Let's make this year a huge growth year to keep FLSC moving forward offering great trips, activities and outings to make and keep this club dynamic. If you would like to be a part of guiding Fall Line in 2018 and beyond, please join us as a guest at our next Board Meeting, Winter Trip Committee, etc. If you have a desire to get involved but don't know how, please come talk with me. I'm nearly always at every mixer meeting.

The FLSC Board has implemented a few changes and we are discussing more ways to help the club grow. Currently we are in discussions ranging from where our monthly meetings are held, potentially establishing a set happy hour location once per month to mix in with the ever-changing Fridays, having a presence with a booth at upcoming spring events, looking into more of a social media following...these are some of the ideas we are discussing to help tell the community who we are and what we have to offer. Tell me your thoughts on these proposed changes, or better yet, join us.

As with anything, change is good and necessary in order to stay relevant and fresh. As Winston Churchill said, "To improve is to change; to be perfect is to change often." Improvement means we are enjoying ourselves and appealing to others. Creating and maintaining something requires small changes.

Our winter trips are starting this month. When I last checked the January 12th Elk Mountain trip was nearly full. Why don't you give Deb Taraska a call to see if they can squeeze you in? Remember, for this day trip only we have relaxed the age restriction to 16 (when accompanied by an adult). Bring your kids or grandkids to the best mountain in the Poconos. And check out the website for lift ticket deals to various local ski areas.

Some of our remaining trips have openings, so if you think you've missed out on skiing with the club, think again. Openings do pop up and we will be glad to have you join us. Contact your trip leaders for openings or to be put on the wait list – you never know!

I hope to see many members at our January Mixer Meeting & Friday Happy Hours this month. I will gladly raise a pint to your good health (especially if you are buying).

Fall Line Ski Club...we're more than Snow!

Cheers,
Mike

MEMBERSHIP INFORMATION

Fall Line Ski Club membership begins May 1 and ends April 30. Membership applications for renewals and new membership are accepted anytime during the year. The membership fee is \$25.00 until August 31, 2017 and \$30.00 afterwards. The newsletter will be e-mailed to you. Add \$5 if you wish a paper newsletter mailed to you.

Members have the privilege of attending all Fall Line Ski Club activities during the summer season as well as next ski season. Membership applications may be obtained at any Mixer Meeting, on the penultimate page of most newsletters, at our web site at www.FallLineSkiClub.org or through the mail by contacting:

FLSC

112 Stephenson Way, Huntingdon Valley, PA 19006-2229

Phone: 215/357.2305 [eMail: Membership@FallLine.org](mailto:Membership@FallLine.org)

The membership application should be completed in a legible manner to ensure the proper forwarding of all club correspondence. Any member not receiving the newsletter should stop at the membership table during a Mixer Meeting.

Changes in address, e-mail address or phone numbers should be reported as soon as possible so that you may remain informed of all Fall Line events and activities.

DAY TRIP TO ELK MOUNTAIN

DATE: JAN. 12, 2018

Cost: \$80, members; \$85 non-members

A few seats still available - but going fast. Deadline to completely sign up (paid) - January 5, 2018

Since this is a day trip and a great chance to learn to ski or just try out new skis we are relaxing our age requirement for just this one trip. We will not be supplying beer and wine on the bus as with our other ski bus trips.

You must be at least 16 years old. If under 21, you must be accompanied by an adult who will be held responsible. Contact the trip leader for immediately if you are interested in joining this great trip.

The North Chair at Elk Mountain accesses a top elevation of 2,667 ft (813 m) - the highest lift-serviced skiing in eastern Pennsylvania. Elk has a 925 ft (282 m) vertical drop, 27 trails (six greens, 10 blues and 11 black) and two terrain parks. Five double chair lifts and a fixed-grip quad chair lift provide access to the top of the mountain. Four of the lifts, including the quad, run from the base to just below the summit of the mountain. Most ski runs are groomed, but a few are allowed to bump up, or become moguled, to allow for additional challenge. The mountain receives, on average, 5 feet of natural snow per season. [Snowmaking](#) covers 100% of the 180 acres of skiable terrain. The base complex features a day lodge, guest services, ski school center, restaurant, rentals, and a ski-and-snowboard shop.

Price includes round trip transport on motor coach (leaves from and returns to Danszeisen & Quigley parking lot, Route 70 in Cherry Hill), bagels, juice, coffee on morning bus, full day lift ticket.

Departure time: 6:30 AM sharp; return to D&Q approx. 7:30 PM.

Trip Leader: Deb Taraska, saradeb@comcast.net or 609-747-8582.

SUNDAY RIVER, MAINE

THURSDAY, FEBRUARY 8 THROUGH

SUNDAY, FEBRUARY 11

The Sunday River trip still has plenty of openings. The trip price includes round-trip transportation by motor coach between Mt. Laurel, NJ and the ski resort, 3 nights' double occupancy accommodations at the Jordan Hotel, and a 3-day Sunday River lift ticket. But wait, there's more! The bus will be amply supplied with premium beer, wine, and soda for your enjoyment during the ride up north and back. And, the hotel is hosting a Wine and Cheese Party just for our Ski Club! All of this for \$629.

Speaking of the hotel, we'll be staying for 3 nights at the ski-in/ski-out Jordan Hotel, the premier address at Sunday River. A true skier's destination, the Jordan Hotel lies in an alpine setting next to the ski trails of Jordan Bowl and is the highest and snowiest location at the resort. The hotel is located slope-side, with direct ski-in and ski-out access to green terrain.

Amenities at the hotel include an outdoor heated pool with two hot tubs, a fitness room and health club with steam room and sauna, and the Jordan Spa. Wi-Fi and resort shuttle service are complimentary.

So what about the skiing, you may ask. Sunday River consists of eight interconnected peaks, with 870 acres of skiable terrain. The resort receives an average annual snowfall of 167 inches. There are 135 trails and glades covering a distance of 52.6 miles, with a total vertical of 2,340 ft. The trails are rated as 30% green, 36% blue, 18% black, and 16% double black. For boarders, there are 35 acres dedicated to freestyle terrain, with six parks and one 18-foot Superpipe.

To get around all those trails, parks and glades, there are 15 lifts including four high-speed quads and a high-speed Chondola (who knew!). So a Chondola, I discovered, is a hybrid type of ski lift that combines the elements of a chairlift and a gondola, allowing cabins and chairs to be used on the same lift line. The cabins and chairs can be changed according to rider load, season and weather conditions. Sunday River's Chondola has 60 chairs and 15 cabins, with four six-passenger chairs in between each eight-passenger cabin. The chance to try out the Chondola alone is worth the cost of the trip, not to mention all that fabulous skiing or riding and the awesome company of Fall Liners! Check out www.sundayriver.com for more information.

For questions concerning the trip, please contact me, hpearson@yahoo.com or 856-313-9172.

THE TAPROOM

427 Crystal Lake Ave
Haddonfield, NJ (Haddon Township)
(Meet in the smaller Fireplace Room)
7:30PM

The book for the month of Jan will be: Orhan's Inheritance by Aline Ohanesian

When Orhan's brilliant and eccentric grandfather, Kemal Türkoglu, who built a dynasty out of making kilim rugs, is found dead, submerged in a vat of dye, Orhan inherits the decades-old business. But Kemal has left the family estate to a stranger thousands of miles away, an aging woman in a retirement home in Los Angeles. Intent on righting this injustice, Orhan unearths a story that, if told, has the power to undo the legacy upon which Orhan's family is built, a story that could unravel his own future.

Here is what other's have to say about the book.

"Breathtaking and expansive . . . Proof that the past can sometimes rewrite the future." -Christina Baker Kline, author of Orphan Train "Stunning . . . At turns both subtle and transcendent." -Los Angeles Review of Books "To take the tumultuous history of Turks and Armenians in the early part of this century, and to tell the stories of families and lovers from the small everyday moments of life to the terrible journeys of death, to make a novel so engrossing and keep us awake-that is an accomplishment, and Aline Ohanesian's first novel is such a wonderful accomplishment." -Susan Straight, author of Highwire Moon "Rich, tragic, compelling, and realized with deep care and insight." -Elle "A book with a mission, giving a voice to history's silent victims." -The New York Times Book Review "Orhan's Inheritance illuminates human nature while portraying a devastating time in history . . .

A remarkable debut novel that exhibits an impressive grasp of history as well as narrative intensity and vivid prose." -Minneapolis Star Tribune "A remarkable debut from an important new voice. It tells us things we thought we knew and shows us we had no idea. Beautiful and terrible and, finally, indelible." -Luis Alberto Urrea, author of Queen of America.
