THE ELEPHANT & THE CASTLE AS WELL AS THE CLARION HAS BEEN SOLD.....

We are also being told that they are being shut down for renovations, but as of this writing we don't know the exact date. We are pretty sure that the first meeting in January will be at the Elephant and the Castle, but it is not guaranteed. We will send out e-mail blasts as soon as we know and will put it on our website www.FallLineSkiClub.org. For those that do not have access to the internet we will put an outgoing message on our club telephone at 856-931-4462.

Also if you have a good suggestion on where Fall Line's new home should be, or have a good connection to a place give any board member a call. Remember, we need a certain number of tables to fit in the room so we can do our signups. We also transact money and would feel safer if we had our own room.

HAPPY HOUR FINN MCCOOLS

118 S. 12th Street • Philadelphia, PA

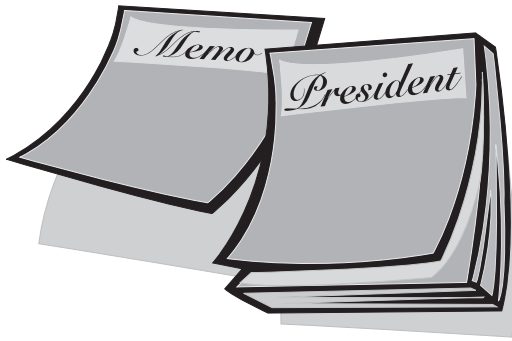

Friday, January 9th 5-8PM

It's Happy Hour time!! This week we will be trying out a new location right in Center City Philadelphia. Finn McCools is located on the corner of 12th and Sansom.

Finn McCools offers a wide range of foreign and domestic beers on tap, as well as a full menu with many Irish favorites.

Happy Hour specials that night are extended until 8PM for Fall Line members and guests. Just remember to let the bartenders know you are with the group.

For further info, or directions, please contact the bar at (215) 923-3090, or check out their webpage: <http://www.finnmccoolsphilly.com>

Hi Fall Liners Happy Winter! Finally, our trips are heading out. We will have plenty of Great Snow!! Enjoy. Looking forward to all the weekend, western and Europe trips this year. There is still time to jump on several great trips to Vermont. A few are still open...Come out to a general meeting. The Elephant & Castle is having renovations, so we must find a new home. Keep checking either the website or the club phone to see where we are meeting.

For those of you that can not get away, come enjoy our Happy Hours on Fridays, or other events, including— Longwood Gardens, Jan 3rd, Scaturros Martini Night, 1/19. Always remember that Fall Line is a club that depends on its members, and YOU are the membership! Come on out, and bring a friend or two!

Summer Event Committee meeting is Jan 21st to make all the off-season events happen. These include all those things that are after Skiing, such as: Bowling, Dinner By Design, Movies, Wine Tastings, Golfing, Kayaking, Biking, and, of course — Dragon Boat!! Please come out to make our off season as much fun as our Ski season! If you really want to help out the club, now's the time to start thinking about running for next year's board. Best Wishes for a Safe, Healthy, and Prosperous New Year!!!

Marie

MEMBERSHIP INFORMATION

Fall Line Ski Club membership begins May 1 and ends April 30. Membership applications for renewals and new membership are accepted anytime during the year. The membership fee is \$25.00 through 9/13/08 and \$30.00 afterwards.

Members have the privilege of attending all Fall Line Ski Club activities during the summer season as well as next ski season. Membership applications may be obtained at any General Meeting, on the penultimate page of most newsletters, at our web site at www.FallLineSkiClub.org or through the mail by contacting:

FLSC

9109 Verree Road

Philadelphia, PA 19115-2801

CO-ED WIFFLEBALL

LAST CHANCE TO SIGN-UP

Starting in January/February

So, what the heck is Wiffleball anyhow? Well, Wiffleball is a variation of the sport of baseball designed for indoor or outdoor play in confined areas. It is played using a perforated, light-weight, plastic ball and a long, plastic bat, generally on a triangular playing field.

The Wiffle ball was invented by David N. Mullany of Fairfield, Connecticut in 1953 when he designed a ball that curved easily for his 12-year old son. It was named when his son and his friends would refer to a strikeout as a "wiff". A classic Wiffle ball is about the same size as a regulation baseball and is hollow plastic no more than 1/8th of an inch thick. One hemisphere is perforated with eight 3/4" inch oblong holes, with a solid second hemisphere. This construction allows pitchers to throw a tremendous variety and size of curveballs, sinkers, risers and tailers. Wiffle balls are typically packaged with a hollow, hard plastic bat that measures 31 inches (790 mm) in length and about 1.25 inches in diameter.
